## What is the Dental Savers Plan?

Our Dental Savers Plan is a discount plan that saves patients 30-50% or more off average dental treatment fees in our area. The plan pays for itself with just a teeth cleaning appointment or one tooth-colored filling.

## Who is the Dental Savers Plan for?

The plan is for individuals or families who would like to save money on dental care but don't have dental insurance

## How much does it cost to be a member?

Membership is \$98 annually for an individual or \$196 for an entire family (parents and children under 18).

## How much will I save with this plan?

Please see the fees listed to the right. Average savings are from 20% to 40%. For example, a 6-month check-up of exam, x-rays, and cleaning would normally cost \$230, but with Dental Savers Plan it would be \$50. (Amazing!!)

## How do I sign up?

Speak with our staff and they will be happy to enroll you immediately. Enrollment is for 12 months after sign-up.

You won't find a Dental Savings Plans like this anywhere else!! Let's get you started on your Journey to a Beautiful Smile!!
